There are also martyrs in the Drug Control Organization whose swordy work profile dominated over the drug mafias and lead their every menace activities to incineration. One name of the sword that I want mention is late Neha Shori who was the Zonal Drug Licensing Authority of Mohali (Punjab) who passed her master's from India's top most Pharmacy institute i.e. NIPER Mohali and she was my senior too in NIPER Mohali in 2006-2007. Her 10 years of turbulent work against drug addiction by inspections and later on cancellation of drug licences to the firms who griped them self and society to drug addiction, was truly impeccable."
