

DT Office Diary No. 079.

Dated 4-4-19

Date: 04.04.2019

To: The Director, NIPER.

S.A.S. Nagar.

Sub: Approval of Testing Charges

Dear Sir,

It is submitted that we are getting some enquiries from the industry to do the quantitative analysis of their products using Potentiometer available within our department. As the assay is not included in the CIL list, the costing charges of the same may be approved on lines of CIL rates for moisture analysis (copy enclosed), as the number of samples including factor calculation, standard and sample analysis remains same.

Instrument	Test	Sample Analysis Charges
Auto-Titrator Make: Metrohm Model: 905 Titrand	Assay	Rs. 3000 for 1 st sample and Rs.1000 per additional sample

It is therefore requested that approval may please be granted for the analysis. The other terms and conditions will be same as available on NIPER website.

Thanking You,

Sincerely yours,

Sanjay Kumar
