Provided that if a meeting is adjourned for want of quorum, it shall be held on the same day after at least half an hour from the time appointed for holding the meeting and that the members so present shall constitute the quorum.

The provisions in these Statutes regarding notices of the meetings, inclusion of items in the agenda and confirmation of the minutes applicable to the meetings of the Board shall so far as may be, be followed in connection with the meetings of the Committee.

4. RECRUITMENT OF FACULTY

4.1 A candidate is to comply with the minimum qualification and experience indicated against each of the following category of posts. However, a relaxation in qualifications and experience can be made in case of otherwise meritorious candidates, subject to the conditions laid down in these statutes else where.

4.1.1 Assistant Professor: Ph. D. with first class or equivalent grade at the preceding degree in the appropriate branch with a very good academic record throughout and at least 5 years of teaching/research/industrial experience with published work of high quality.

4.1.2 Associate Professor: Ph. D. with first class or equivalent grade at the preceding degree in the appropriate branch with a very good academic record throughout and at least 8 years of teaching/research/industrial experience with published work of high quality and an established reputation of having made seminal contribution to knowledge in pharmaceutical and allied areas.

4.1.3 Professor: Ph. D. with first class or equivalent grade at the preceding degree in the appropriate branch with a very good academic record throughout and at least 10 years of teaching/research/industrial experience with published work of high quality well recognized and established reputation of having made conspicuous seminal contribution to knowledge in pharmaceutical and allied areas.

4.2 The recruitment shall be made on the recommendation of a Selection Committee constituted in accordance with para 3.6 of the Statutes of NIPER.

4.3 The recommendations of the Selection Committee shall be placed before the Board for approval.

4.4 Appointment of an exceptionally well qualified candidate may be made on ad hoc/Superannuity basis by the Director after an interview by a special committee consisting of the Director, the Dean and the Head of the concerned department.

4.5 The Director shall bring such ad hoc appointments to the notice of the Board at next meeting.

4.6 Ad hoc appointment shall not exceed 5-10% of the total faculty staff.

4.7 An ad hoc appointment shall have to go through regular selection within one year against a normal vacancy in accordance with paras 4.2 and 4.3 of the statutes of NIPER.

5. CAREER ADVANCEMENT SCHEME:

5.1 There should be provision for placement in the next higher grade from Assistant Professor to Associate Professor and from Associate Professor to Professor after 5 years of satisfactory service. This should be based on a very strict selection process. The confidence in this system will depend upon putting in place an effective and well functioning system of performance appraisal. This must include consideration of the following:

(a) Faculty's annual appraisal reports.
(b) Evaluation record of each year by the students
(c) Record of publications, reports, patents, etc.,
(d) Contribution made by the faculty for development of the Institute,
(e) Recognition received from outside agencies in the form of projects, awards etc.
These reports and records of achievements would be examined by two external experts, whose recommendations shall be placed before the Selection Committee constituted in accordance with para 3.6 of the Statutes of the institute. The candidates shall be interviewed by the Selection committee. On the recommendations of the Committee, further action to placement in the next higher grade or otherwise shall be taken.

5.2 The recommendations of the Selection Committee shall be placed before the Board for approval.

5.3 The total number of faculty position in a Department shall remain fixed but flexibility shall be allowed for upgrading the respective positions for the incumbent. This way, the merit of a faculty member shall be recognized irrespective of the availability of a post in the higher cadre. This provision should be used very judiciously in the larger interest of the Institute.

5.4 The placement in the next higher grade in accordance with para 5.1 above shall not interfere with the provision of lateral entry by direct recruitment. The faculty member placed in the next higher grade under the scheme shall however, get all the privileges of the higher post.

6. REVIEW OF CONTRACTS OF THE FACULTY

6.1 The NIPER adopt a policy of making appointments on contract basis. The Period of contract laid is five years.

7. SEARCH FOR NEW FACULTY MEMBERS

7.1 The talent search need be carried out through personal contacts. If a sufficient number of prospective candidates can be identified abroad, a trip by the Director can be organised for a visit to interview the candidates and determine their suitability.

7.2 The recommendations of the Director, the credentials of respective candidates can be considered by a duly appointed Selection Committees as laid down under Para 3.6 of the Statutes.

7.3 The usual procedure of advertisement in national and international media should continue to be followed for the necessary follow-up.

8. EXCELLENCE AS THE HALLMARK

8.1 At the NIPER, excellence is to remain the distinguishing feature. The quality is to be maintained at all levels if the Institute is to justify its creation and maintenance to service the best of the national interest.

8.2 While reviewing the contracts, the promotion of the faculty already in position, recruitment of new faculty, and even in making ad hoc appointments, the quality should be the ultimate criterion. The spirit of excellence should not be compromised.

9. APPOINTMENT OF DIRECTOR

The appointment shall be for a 5 year term, renewable for one more term of 5 years provided that the upper age limit does not go beyond 65 years.

Amended vide letter No. 52 (8)/98-PI-IV dated 16th October, 2001

Amendment: The appointment shall be for a 5 years term, renewable for one more term up to 5 years.

10. Appointment of a Professor of Eminence from amongst scientists of outstanding and exceptional merit, whether from within or from outside, may be made at a fixed salary as applicable to such Professor of Eminence in the Indian Institute of Technology.

11. ESTABLISHMENT OF ENDOWMENT CHAIRS

Selection to these chairs should be even more rigorous than usual. The emoluments for the chairs shall be fixed by the Selection Committee on the basis of the conditions set by the donor and accepted by the Institute in this regard. The Selection Committee shall record the basis for such selection.
12. PAY STRUCTURE AND RELATED ISSUES

12.1 The pay structure shall be compatible with that applicable to the faculty in the Indian Institute of Technology (IITs).

12.2 The pay scales of the faculty shall be kept as applicable to the faculty of Indian Institute of Technology. It implies that the current pay scales be as below:

[No. F. 52(7)/2001-PC-I (NIPER)]

SHARAD GUPTA, Jr. Secy.
APPENDIX A
(Refer Statute 22)

NIPER Facility may undertake contract research and provide consultancy and technical services.

1. Contract Research

Contract research shall comprise all R & D undertaken through specific contractual arrangement agreed upon for the purpose and shall cover the:

1.1a Sponsored Projects: Projects wholly funded by the client having specified R & D objectives, and well defined expected project output/results, generally culminating in generation of intellectual property. Sponsored projects could be multi-client also, with sharing the project funding and research results.

1.1b Collaborative Projects: Projects partially funded by the client and supplemented by provision of inputs from the Institute such as expert manpower, production/fabrication of product in bulk for testing infrastructural facilities, etc. Collaborative projects could be for upscaling/proving of laboratory level knowhow, technology development or generation of intellectual property etc. The expected project output/results are well defined.

1.1c Grant-in-Aid Projects: Grant-in-Aid Projects are normally for supporting for basic or exploratory research or for maintaining or creating testing and infrastructural facilities. These projects shall involve grant by way of financial inputs, either in full or in part, assistance in kind e.g. equipment, training to supplement NIPER’s efforts in ongoing or new R & D Projects or for creating new capabilities/facilities.

1.2 Costing of Contract Research Projects

1.2.1 The charges for contract research shall include expenses on account of:

(a) Cost of man-days of staff deployed.
(b) Cost of consumables/raw materials/components with 25% overheads.
(c) Cost of physical inputs/services/utilities with 25% overheads.
(d) Equipment usage cost/cost of equipment procured specifically for the project.
(e) Any external payment envisaged.
(f) TA/DA.
(g) Contingencies.

Total expenses = sum of a to g.

1.2.2 Intellectual Fee: Minimum of 33.3% of total expenses as at 1.2.1.

1.2.3 For any sponsored research, rights for licensing intellectual property shall rest with NIPER. In case of collaborative research, such rights shall be held by NIPER and collaborator. Licensing for commercial exploitation of the intellectual property generated out of contract research shall be held jointly.

NIPER shall charge an adequate amount as fee. This could be a lumpsum and or recurring royalty.

1.2.4 Project charges = Total expenses - Intellectual fee + licence fee.

1.3 Share of the Monies by Staff

Any per cent of the intellectual fee or net surplus (remaining after accounting for all direct or indirect project expenditure) whichever is lower arising from R & D contracted is to be shared with the staff.

The pattern of sharing for staff is as follows:

<table>
<thead>
<tr>
<th>Staff</th>
<th>Share</th>
</tr>
</thead>
<tbody>
<tr>
<td>Innovators &amp; Principal Contributors</td>
<td>40%</td>
</tr>
<tr>
<td>S &amp; T (supporting staff)</td>
<td>33%</td>
</tr>
<tr>
<td>Remaining supporting staff of the NIPER</td>
<td>20%</td>
</tr>
<tr>
<td>Welfare fund</td>
<td>5%</td>
</tr>
</tbody>
</table>
2. Consultancy

All consultancy services in the NIPER shall be institutional. There shall be two categories of consultancy viz.

2.1 Advisory Consultancy

Wherein the services would involve scientific, technical, engineering or other professional advice, provided to a client purely on the basis of available expert knowledge and experience of individual(s), rendered outside NIPER and not envisaging use of any facilities of the NIPER and also not involving any kind of survey, detailed study or report preparation/submission.

2.2 General Consultancy

Wherein the services shall comprise scientific, technical, engineering or other professional advice/assistance based on the available knowledge base/expertise of NIPER, and envisaging only minimum use of laboratory facilities for essential experimentation needed to meet the objectives of the consultancy assignment. General consultancy may inter alia cover:

— Preparation of literature survey/feasibility studies, state of the art/project/technology forecasting reports;
— interpretation and validation of test results and data, risks and hazard/environment impact analysis etc.,
— design engineering;
— assistance in erection, commissioning, operation, fabrication/tendering and purchase of equipment, trouble-shooting, productivity improvements, pollution abatement/control measures, energy conservation, waste utilisation, technology assessment/evaluation.

2.3 Any consultancy assignment which does not strictly fall under the category of Advisory Consultancy, shall be taken up as General Consultancy.

2.2 COSTING OF CONSULTANCY PROJECT

2.2.1 The charges for consultancy project shall include expenses on account of

a. cost of man-days of staff deployed
b. cost of physical inputs/services/utilities/consumables raw materials/component with 25% overheads
c. equipment usage cost

towards external payment envisaged e.g. to outside consultants, for obtaining data, hiring of infrastructural facilities.

Contingencies.

NOTE: Total Expenses = sum of a to f.

2.2.2 Intellectual fee

This should commensurate with the quality of inputs provided and the likely benefits to accrue to the client as a result of the consultancy. While there is no ceiling on the upper limit of intellectual fee to be charged, it should not be less than the estimated manpower charges.

2.3 DISTRIBUTION OF HONORARUM

For Advisory Consultancy
Distributable amount up to a maximum of 2/3rd of intellectual fee as follows:—

Team of consultants 95%
Welfare Fund 5%

For General Consultancy
Distributable amount up to a maximum of 2/3rd of intellectual fee or 300% of the manpower charges levied, whichever is less, as follows:—

Team of Consultants 65%
Other S&T Staff 15%
Remaining Supporting Staff 15%
Welfare Fund 5%
INTELLECTUAL PROPERTY

Intellectual Property shall include patents, copyright, registered design, trademark, knowhow for a process/product/design and computer software. Intellectual property generated shall be of two types.

3.1.1 UNENCUMBERED

(i) Developed through wholly in-house R&D programmes/projects. In such cases ownership of intellectual property is solely that of NIPER, and consequently the licensing rights are that of NIPER alone.

(ii) Intellectual property developed through contract research and subsequently rendered unencumbered as per contractual arrangement with the client. In such cases licensing of intellectual property by NIPER would be in accordance with the terms & conditions agreed upon with respect to third party licensing with the client.

3.1.2 ENCUMBERED

Developed through contract research i.e. total or partial financial support and with/without technical inputs from users/clients. In such cases ownership and licensing of intellectual property for commercial utilisation shall be governed by NIPER's obligations to client in the matter.

3.1.3 LICENSING OF INTELLECTUAL PROPERTY

Licensing of intellectual property shall mean granting the licencee the right to utilise the intellectual property and sell or use the resulting product(s) either for commercial/captive purpose or as otherwise agreed to.

3.3 PRICING OF INTELLECTUAL PROPERTY

There is not rigid formula for determining the price of intellectual property and thus estimates vary from case to case. The price of knowhow/intellectual property normally ranges between 2% to 10% of either the plant & equipment cost or projected turnover of the unit for a period of 5 years' production.

To arrive at price of intellectual property following factors will be kept in view:

(i) cost of development.
(ii) estimate of net benefit to be derived by the licencee.
(iii) size and number of potential licencees.
(iv) comparative cost of imported intellectual property.
(v) possibility of intellectual property being pirated.
(vi) Opportunity value.

4. TECHNICAL SERVICES

Technical services are meant to render to the clients/customers, assistance of a minor nature based on available knowledge, expertise, skill and facilities of the institute. Technical services shall comprise:

- Testing & Analysis (including certification and calibration)
- Training
- Technical assistance of an advisory nature
- Fabrication/production of special products
- Repair and maintenance
- Supply of information/database.

4.1 CHARGES FOR TECHNICAL SERVICES

Charges shall comprise of (A+B) below except for supply of information/databases.

A. Estimated expenditure on:

(i) Manpower (at prescribed rates).
(ii) Physical inputs/services/utilities etc. including overheads at 25%.
(iii) Raw material/consumable components with 25% overheads.
(iv) Equipment usage depreciation/replacement cost.
(v) any other out of pocket expenditure.

B. Intellectual fee/opportunity cost. The quantum shall be at the discretion of the Director considering the nature of client and his paying capacity.

4.2 DISTRIBUTION OF MONIES

Twenty per cent of the intellectual fee or net surpluses (remaining after accounting for all direct and indirect expenditure for the service) whichever is lower is to be shared with the staff. The pattern of sharing for staff shall be same as given in 1.3.
