

Government of India
Ministry of Chemicals and Fertilizers
Department of Pharmaceuticals

Date: 19th October, 2023

PRESS NOTE

Special Campaign for Disposal of Pending Matters 3.0
from 2nd October, 2023 to 31st October, 2023

The Department of Pharmaceuticals along with its attached Office (NPPA), autonomous bodies (NIPERs), PSUs (HAL, KAPL & BCPL) and Society (PMBI) have carried out massive cleaning and weeding out activities in all its premises and outside areas, including health centres, hospitals, and schools during the second week of the Special Campaign 3.0.

Out of 9643 outdoor sites identified for cleaning, 4024 sites have been cleaned so far. The week also witnessed inspection of an outdoor cleaning site by Secretary, Department of Pharmaceuticals, when she visited Jan Aushadhi Kendra, Srinivas Puri, New Delhi on 11th October, 2023.

This apart, physical files numbering 3239 have been reviewed so far against 5539 physical files targeted for review. The review has helped weed out 820 files. All references received from Members of Parliament and included in target for the campaign, have been responded/resolved, except one reference. Efforts are being made to resolve the same. Against 62 public grievances cases pending at the start of campaign and included in target for clearance, 39 PG cases have already been addressed. The Department is still maintaining a NIL report as regards Public Grievances Appeals are concerned.

The third week of the Campaign would focus on steps to be taken for processing disposal of scrap items identified during the preparatory phase, along with completion of more than 2000 outdoor sites across the country.
