

Applications for One Day Research Facility Training Programme under Scientific Social Responsibility policy of Science and Engineering Research Board (SERB)

Applications are invited from Ph.D. Students (Synthetic Organic Chemistry) from different Colleges/Universities of the tri-city (Chandigarh, Mohali and Panchkula) and nearby areas for a one-day Research Facility Training Programme on ‘Tools and Techniques in Synthetic Organic Medicinal Chemistry’ on 21st September, 2022 being conducted under Scientific Social Responsibility (SSR) programme of SERB (Science and Engineering Research Board) at the Dept. of Medicinal Chemistry, NIPER, SAS Nagar. No application will be considered if received after 7th September, 2022. No registration fees will be charged for attending the programme. As there are limited seats (ten only), only selected candidates will be intimated. Certificate of participation will be awarded. The rights of selection are reserved with the institute. No TA/DA/accommodation will be given to the attendees. Duly completed scanned copies of the applications (PDF format) may be submitted at the following email id: **skguchhait@niper.ac.in** within 7th September, 2022. The selected candidates have to submit the hard copy (original signed) at the time of training. Applications incomplete in any respect will not be entertained under any conditions. No correspondence will be entertained in this regard.
