

Applications for One Day Research Facility Training Programme under Scientific Social Responsibility policy of SERB (Science and Engineering Research Board)

Applications are invited from Ph.D. Students (Life Sciences) from different Colleges / Universities of the tri-city (Chandigarh, Mohali and Panchkula) and nearby areas for a one-day Research Facility Training Programme on 'Tools and Techniques in Protein Science' on 25th May, 2022 being conducted under Scientific Social Responsibility (SSR) programme of SERB (Science and Engineering Research Board) at the Dept. of Biotechnology, NIPER, SAS Nagar. No applications will be considered received after **12th May, 2022**. No registration fees will be charged for attending the programme. As there are limited seats (ten only), only selected candidates will be intimated. Certificate of participation will be awarded. The rights of selection are reserved with the institute. The programme will be followed by a short quiz. Certificates will be awarded to winners. No TA / DA / accommodation will be given to the attendees. Duly completed scanned copies of the applications (PDF format) may be submitted at the following email id: **bt@niper.ac.in**. The selected candidates have to submit the hard copy (original) at the time of training. Applications incomplete in any respect will not be entertained under any conditions. No correspondence will be entertained in this regard.
